The Hiring Manager YES Youth Employment Programme Foschini

Dear Hiring Manager,

I am writing to express my strong interest in the YES Youth Employment Programme retail position. As a 25-year-old Matriculant from Gauteng with a solid academic foundation in Mathematics, Business Studies, and Physical Sciences, I am eager to launch my career in your dynamic retail environment and contribute meaningfully to your team over the 12-month contract period.

Why I am an ideal candidate:

My Matric subjects have equipped me with directly transferable skills for retail excellence. Business Studies provided me with foundational knowledge of operations, marketing principles, and customer service strategies. Mathematics developed my numerical accuracy—essential for cash handling, pricing, and inventory management. Physical Sciences honed my problem-solving abilities and attention to detail, ensuring I approach tasks systematically and accurately.

As a bilingual South African fluent in English and Afrikaans, I can effectively communicate with Gauteng's diverse customer base, ensuring every shopper feels welcomed and understood. My academic experience as a peer tutor strengthened my patience, ability to explain concepts clearly, and capacity to work collaboratively—qualities that translate directly to training customers and supporting colleagues.

Full eligibility confirmed:

I meet all programme requirements: aged 25, Matric completed, no previous permanent employment exceeding one year, not studying full-time during the contract period, never previously registered on the YES programme, and fully available for the April 2026 – March 2027 fixed-term contract. I have secured my own accommodation and transportation in Gauteng.

As an African male, I qualify as a designated group under the Employment Equity Act, supporting your transformation objectives while bringing genuine enthusiasm and readiness to learn.

I am excited about the opportunity to gain life-changing first working experience in retail, develop professional skills, and prove my value to your organization. I am available for interview at your convenience and can commence immediately in April 2026.

Thank you for considering my application. I look forward to contributing to your team's success.

Yours sincerely,

Johannes Mokoena
